LAS PAMPAS LODGE
PATAGONIA, ARGENTINA

Join the Henry's Fork Foundation staff at Las Pampas Lodge for the ultimate Argentine trout fishing experience. Their remote location, their diversity of waters, and there 100% Argentine staff makes this a complete package that is hard to improve upon. With a multitude of spring creeks, small freestone rivers, and trophy still waters as well as a mix of rainbow, brown and brook trout all within a small radius. When combined with its unique location, distance from other lodges, and exclusive access to private waters Las Pampas Lodge is and remains a distinguished Fly Water favorite.
