

6th Annual HFF Weekly Summer Seminar Series

3:00 to 4:00 p.m. on Wednesdays from June 14 – Aug 9

Henry's Fork Foundation Conference Center, 801 Main St. in Ashton

Members of the public are welcome and encouraged to attend either in person or virtually!

Please join us for weekly presentations showcasing the latest scientific, technological, and socioeconomic work being done by guest speakers from across the country as well as HFF interns and collaborators. If you are unable to attend in person at the Henry's Fork Foundation, please join us virtually. Contact Jasper Davis at (208) 652-3567 or jasper@henrysfork.org for more information.

The Zoom Link and Meeting ID for Each of these Seminars will be:
